

DIVERSITY DAY BREAKFAST 2019

Company name : Banque Havilland S.A.

Activity sector : Activités financières et d'assurance

Company category : PME

Description of the action

The aim of this internal event was to share a moment together and explore different cultures from the employees' origin countries.

Approach

Each department has been attributed a country. On the morning of the Diversity Day Breakfast, each department had to make available at its desk food representing the attributed country.

Objectives

The goal was to promote different cultures within the bank

Impact

The outcome has been extremely positive, the employees enjoyed knowing more about the food in other countries and the interaction between the employees had increased

« To do »

do not choose a day during the summer holidays

« Not to do »

Involve everyone, including the management
