

# WOMEN@DBG WORKSHOP & NETWORKING EVENT

**Company name :** Clearstream

**Activity sector :** Activités financières et d'assurance

**Company category :** Grande Entreprise

## Description of the action

The women network of the group, which has representatives in each locations, organize a workshop and networking event. The event is organized at the same time in each location. Women are invited to come on site, attend to a workshop whit a trainer via teams. Locations can interact with each other and with the trainer. Then a local networking event is organized

## Objectives

Develop networking locally and globally Offer same opportunities in all locations

## Impact

Build a strong dynamic of the women network. Demonstrate that some D&I topics can be addressed globally and locally at the same time.

## « To do »

Organize on site networking event rather than virtual

## « Not to do »

Choose the time and day according to each location calendar is key
