

D&I ANNUAL INFORMATION SESSION

Company name : Clearstream

Activity sector : Activités financières et d'assurance

Company category : Grande Entreprise

Description of the action

Each year, we organize an information session to all employees about our D&I strategy and roadmap. It is done via teams and recorded in order to ensure the information session is accessible to all employees.

Objectives

Inform employees about : - the D&I strategy - what have been done so far - what will be done in the current year - encourage employees to join the initiatives via the different employees resource groups

Impact

More employees actively participate to the events/initiatives.

« To do »

Involve the employees in the presentation (for example by using polls during the session)

« Not to do »

Always keep enough time for Q&A session
